

Increase Revenues and Customer Retention with AMI's Customer Loyalty Program.

Web Demo: Learn how to set up an efficient and effective customer feedback system.

Take advantage of this web demo at no charge and learn how Brewers, Bayport Marina, and Charleston City Marina have benefited from the new AMI programs, available through Survey Advantage. This 30-minute web demo "AMI Benchmarking: Using Customer Feedback to Drive Your Business", will explain how to use marina customer feedback to identify new revenue growth opportunities, drive team effectiveness and efficiencies, and improve profit. Discover how to retain and keep the pulse of every boater by collecting meaningful feedback. This web demonstration will be held June 4th at 9:30 A.M. and 12:30 P.M. EST.

Several AMI case studies will be reviewed and a demo of a proven process to drive improvements, benchmark performance, and prioritize investments. There are two low cost programs: Business Health Check (\$500) and CustomerPulse (\$39/month). [Click here to learn more.](#)
