FOR IMMEDIATE RELEASE:

**PALMER JOHNSON DELIVERS TWO 150'S #5 & #6  
IN TIME FOR 2009 MED SEASON**

World renowned yacht builder Palmer Johnson announced today back to back deliveries of their popular 150' Super Sport Yacht Series. *Blue Ice*, 150' hull number five and *Oneness* hull number six of the 150' series will both sail the Mediterranean this summer along with other recent launches giving the company an even higher profile in this ever important cruising ground....since 2004 the company's growth has been off the charts due to the immediate and overwhelming response brought by the entirely new and unique Sport Yacht concept which started with the 120' Coverdrive. Palmer Johnson has now delivered seven 120's, four 135's, six 150's and three of their 123' GRP Fly series yachts. The company is keeping busy with 150' hull numbers seven and eight as well as 135' hull number five, a 170' Mega Sport Yacht and an 82 Meter Global Explorer.
