Mohawk Finishing Products Receives AWFS® New Product Sequoia Award

Hickory, North Carolina (July 29 2009) – Mohawk Finishing Products has been awarded the 2009 AWFS® New Product Sequoia Award – Green/Environmental: General Category for their line of GREENGUARD Certified Waterborne Finishing Products. The award recognizes innovation for new-to-market products. Entries were evaluated on quality, production impact, practicality, innovation and user-friendliness.

The Mohawk Waterborne System includes Waterborne Pre-Catalyzed Lacquer and Sealer, Conversion Varnish, Dye Stains, Dye Concentrates, Dye Stain Base/Reducer, Wiping Stains, Wiping Stain Base, Glaze, Glaze Base and Colorants System. All of the waterborne products have very low VOC's and have been designed for production environments that need quality materials. They are formaldehyde free, phthalate free, lead free and LEED® credit worthy for low emitting technologies.
