PRESS RELEASE

February 19, 2010

Environmental & Marine Equipment & Consulting, Inc., distributor for EMP Industries, Inc., manufacturer of the SaniSailor line of marine pump-out systems and the AquaClean line of vessel wash recycling systems, has changed its corporate name to **Elias Environmental Solutions, Inc.** In addition to the name change, **Elias Environmental has been appointed mid-Atlantic regional representation for Premier Materials**, supplier of the Ace Premier Float, Bestdeck Hybrid Decking, Aquadek and Steel Deck decking systems. **Elias Environmental has also been appointed representative for Kyoto Containment Systems**, supplier of portable containment pads for spill and wash applications in the marine industry. “The addition of these two excellent lines will position us very well to continue to serve our growing client base in the mid-Atlantic and New England regions while helping them be active stewards of the environment. The corporate name change will give us better identification of our strategy: assisting clean marinas”, sates Larry Elias, President. Complementing the product offerings, Elias Environmental Solutions will continue to offer capital improvement and grant consulting services to the recreational marine industry. Please visit www.eliasenvironmental.com for additional information.
