**Walstrom Marine Announces New Sales Representative**

**Harbor Springs, Mich. (March 21, 2013)** – Rick Venner is the newest member of the distinguished Walstrom Marine sales team. He brings with him over 35 years of industry experience. An avid sailor, boater and yachtsman, Rick has sold, serviced and captained virtually all types of vessels.

“Over the course of his career, Rick has garnered experience in every possible capacity making him an exceptional advocate for our customers”, states David Lyle, President of Walstrom Marine. “He is one of a small group in the marine industry well versed in the manufacturing of new, and the sales and service of new, pre-owned and brokerage vessels. It is because of this experience Rick will have an immediate impact on our already established sales and service businesses.”

Notes Rick; “For many years I observed and admired the commitment the Walstrom family and their staff showed for their customers. I am eager to be an integral part of an organization with such high ideals.”
