

## Agenda Set for Sail America Industry Breakfast

All sailing industry professionals invited to attend annual meeting in Maryland

Warren, RI-Sail America has set the agenda for its annual industry breakfast, scheduled for 7:45 am on Friday, October 11, 2013, at the Marriott Waterfront in Annapolis, Maryland. Coinciding with the US Sailboat Show, also in Annapolis, the breakfast meeting will include best in show award presentations, a discussion on Sail America's 2013/14 initiatives, and America's Cup highlights.

"We are constantly working to support our members and promote the health and growth of sailing" Sail America Association Manger Peter Durant says. "The industry meeting gives us a chance to share updates and hear from industry professionals on new initiatives and current issues within the industry. We encourage sailing professionals to get involved by attending and network with their peers."

Sail America's annual industry breakfast, open to all sailing industry professionals at no charge, serves as an update to the industry from the largest sailing association in the marine industry. This year's breakfast meeting will include an association update and information on future events from Sail America board members, an America's Cup presentation by Tucker Thompson with T2P Media, and Best in Show awards from the US Sailboat Show. Land and in-water awards for both small and large displays will be given out as well as a Best in Show award. The breakfast is sponsored by Annapolis Boat Shows and prizes are provided by Weems & Plath. Attendees must provide a business card to enter the breakfast.

Sail America-Sail America is the trade association for the U.S. sailing industry and plays a vital role for all companies that are involved in providing sailing-related products and services. Established in 1990 by members of the U.S. sailing industry, Sail America now has over 200 members representing all segments of the sailing market. With a professional staff, a dedicated Board of Directors, and a team of volunteers and supporters, Sail America works hard to promote the health and growth of sailing.
