MARTIN FLORY GROUP SIGNS THREE CLIENTS

Cruzin, Conntek Integrated Solutions and Herrington Marine Technologies have selected Martin Flory Group to handle their public relations activities. Martin Flory Group serves the editorial community in the marine, outdoor and RV markets with product promotion and publicity.

Cruzin, of Dania Beach, Florida, provides pre-screened, fully-insured peer-to-peer boat rentals and charter services nationwide. The company helps generate revenue for boat owners by connecting them with qualified renters seeking affordable access to boating, at www.cruzin.com.

Conntek Integrated Solutions offers a variety of electrical cords, adapters and connectors for marine, RV and home applications. This Milwaukee, Wisconsin-based company's unique technology improves visibility and safety while making life easier for the user.

Herrington Marine Technologies of Greenbank, Washington, helps boat owners protect the marine environment with its fuel spill prevention products. Its leading-edge design products also assist boatbuilders in meeting EPA evaporative emissions standards.
