Historic Bimini Big Game Club Resort & Marina Scheduled for a \$4.4 Million Renovation

ALICE TOWN, THE BAHAMAS—MARCH 24, 2015— Southern California-based Hankey Group of Companies, today announced plans for a \$4.4 million renovation of the historic Bimini Big Game Club Resort & Marina (www.biggameclubbimini.com).

The renovation program is now underway and entails a new pool and pool furniture, updating for the 75-slip marina (primarily docks A, B and C), rebuild for the resort's 60-foot glass-bottom dive boat and several other capital improvements to the property, including landscaping, painting, and new windows and sliding glass doors.

The 51-room Big Game Club, which was purchased and re-opened by the Hankey Group of Companies in 2010, is a popular, internationally-regarded resort less than 50 miles from South Florida. The property is known for world-class diving and snorkeling, fishing and as a family-friendly destination with many on-the-water activities, including kayaking, paddle boarding, boating and sailing.

In 2010, the resort underwent a \$3.5 million renovation that included all guest rooms, the new Bimini Big Game Bar & Grill, Hemingway Rum Bar & Social Lounge and the Outfitter Shop.

The hotel is currently managed by the Horizon Hotel Group.

"We are very excited to be playing a pivotal role in the renovation of the Big Game Club," said Horizon Hotel Group President James Gould. "These improvements will enhance the overall guest experience—one which we are very proud of today."

The Hankey Group of Companies is a privately held financial services, real estate and insurance organization based in Los Angeles, California. For more information on the Hankey Group, go to www.hankeygroup.com and Horizon Hotel Group at www.horizonhotelgroup.com.
