

Nordic Tugs Press Release

Burlington, WA, May 27, 2015 - Nordic Tugs Inc. President George Armendariz is pleased to announce the appointment of Cap Sante Marine, Ltd in Anacortes, Washington as a new dealer representing the iconic recreational trawler.

Following the acquisition of Nordic Yachts Northwest LLC, Cap Sante Marine will assume distribution of Nordic Tugs in Washington State. They expect to continue doing business at Cap Sante Marina in Anacortes as Nordic Yachts Northwest.

Cap Sante Marine has been serving Northwest recreational and commercial boaters for over 35 years. They are known for their full-service boat yard and exceptional service with factory-authorized technicians for Mercury outboards and sterndrives, Honda and Yamaha outboards, Onan generators and Cummins diesels as well as Yanmar, Volvo and Steyr brands. Nordic Tugs represents their first entry into distribution of new boats. The newly acquired business will include complete brokerage services focusing on recreational trawlers.

“Cap Sante has long supported the aftermarket needs of Nordic Tugs owners. We are pleased to add brokerage sales to our aftermarket service portfolio. However, our team is most excited about the added opportunity to develop new Nordic Tug sales in Washington. We have long said that Cap Sante offers our customers, “Everything in boating” and this acquisition allows us to fulfill another part of that commitment to our customers”, says Richard Wright, CEO of Cap Sante Marine.

Cory Gracey, Nordic Tugs’ Director of Dealer Development, adds, “Nordic Tugs and Cap Sante Marine are a natural match to serve the Washington State market.”

Based in Burlington, Washington, Nordic Tugs draws upon a 35-year heritage of excellence and tradition in designing and building seaworthy trawlers with uncompromising craftsmanship, comfort and distinct styling.
